ABOUT ME

I'm a 22 years old design minded front-end developer. I am highly motivated and very imaginative by finding inspirations in everyday things, pushing my own boundaries and allowing myself to think out of the box.

PROJECTS

text to speech

A text to speech app for non-verbal people. Pre-made buttons and custom text speech. This project uses the Web Speech API

https://lindon4.github.io/text-to-speech/

Exchange Rate calculator

Select countries to get the exchange rate for a specific amount

https://lindon4.github.io/Exchange-Rate-Calculator/

Speech Number Guessing Game

Number guessing game where you speak your guess into the microphone using the speech recognition API

https://lindon4.github.io/speech-number-guesser/
